## Rūyārū'i

Though dealing primarily with English literature, Javadi includes in his account some continental European Orientalists of note as well. An outspoken mother of seven, Astarabadi established the first school for girls in Tehran and often advocated for the rights of women.

### 1 result in SearchWorks catalog

This selection of his work is the first to be translated into English. In addition, it offers a fresh perspective on relations between the Ottomans and the Safavids during a period of relative calm in an otherwise stormy relationship.

### Javadi, Hasan [WorldCat Identities]

Obeyd was a remarkable satirist and social critic who looked upon his world of extravagant indulgence and corruption with the censorious eyes of a Juvenal, and portrayed it with the cynicism and wit of a Voltaire, and the hilarious grotesqueness of a Rabelais. Chelebi's travelogue is not simply a diplomatic report, but rather a fascinating exploration of the religious, ethnic, artistic, and even culinary peculiarities of the region. Imprint Evanston, Illinois : Kānūn-i Pizhūhish-i Tārikh-i Zanān-i Īrān : Shirkat-i Jahān, 1992.

## OCLC Classify

Classify provides a user interface and a machine service for assigning classification numbers and subject headings. Hyphens or spaces usually separate the elements of the number on the item. The database is searchable by many of the standard numbers associated with books, magazines, journals, and music and video recordings.

### 1 result in SearchWorks catalog

OCLC does not sell books and the actual content is not provided in our database. It remains the only dedicated history of Shirvan and Daghestan to this day and also contains a great deal of interesting information about the Caucasus in general during the eighteenth and nineteenth centuries.

## Rūyārū'i

For the first time, the Iranian and Caucus sections of Chelebi's Siyahat-nameh have been translated from the original Turkish manuscript into English in their most complete form. Libraries add bibliographic records to WorldCat representing books and other items in their collections.

Evanston, Illinois : کانون پژوهش تاریخ زنان : شرکت جهان، 1992. ISSN An ISSN is a standardized international code which allows the identification of a serial publication. Your local library may be able to help you gain access to a resource found through Classify and WorldCat.

## Rūyārū'i

Classification schemes are used to provide a systematic arrangement of materials. Many of his lyrics and odes came to him while he was in a religiously inspired trance.
