Bijā

Marathi, like many other Indo-Aryan languages, evolved from early forms of Prakrit, which itself is a subset of Sanskrit, one of the most ancient languages of the world. It ended up being just three of us and two guides on the pontoon out to snorkeling.

Upacaya

However, according to the recent research by Mak based on a newly discovered manuscript and other documents, Pingree's date interpretation as well as a number of crucial readings such as zero and other bhūtasāṃkhyā were based on his own emendation, not supported by what was written on the manuscripts. Benefic planets occupying the 6th house do not confer good results but are not bad when situated in the 3rd or the 11th. Our experienced snorkel guides will show you the hidden wonders of our fabulous reef system and for those on kayaks and paddleboards you will also experience the mangrove tunnels.
