## Giant Waves from Hurricane Teddy Blanket Outer Banks Beaches in Seashells

Most of these container gardens require minimal watering, a convenient characteristic that ensures you won't have to slather on sunscreen morning, noon, and night to keep thirsty planters quenched. The ongoing impact on N.

### Waves as tall as houses recorded off Outer Banks in NC

The storm, off Nova Scotia, generated a 17-foot, 7-inch wave at 1:50 a. These containers love full sun and heat, and implementing these tips will help your garden coast smoothly through the dog days—calm, cool, and collected.

### Teddy Bears By The Seashore

These plant-combination ideas will help you construct a container garden full of heat-resistant plants that will thrive even on triple-digit days. The highway was closed early Monday between the the N.

## Giant Waves from Hurricane Teddy Blanket Outer Banks Beaches in Seashells

Sporadic flooding on the Outer Banks prompted multiple times over the weekend.

### Teddy Bears By The Seashore

The National Data Buoy Center reports the wave was recorded by the Diamond Shoals Buoy, area of Cape Hatteras National Seashore. It was one in a series of large waves that began Sunday and continued Tuesday, with a 16-foot, 4-inch wave reported at 3:50 a. At this point, we expect these portions of NC12 to remain closed until Tuesday Sept.
