During the second half of the 1800s the greater fort community at Kayeli began to decline for a variety of reasons. For instance, the Tausug adaptation used in the Sulu archipelago follows Malay closely in the way it uses diacritics to indicate typically Austronesian sounds that do not occur in Arabic such as c, and and in the way it interprets Arabic sounds that do not occur in Tausug or Malay e. He is also working on a grammar sketch and wordlist of Busoa South Buton and, with Bob and Marilyn Busenitz, on a grammar of Balantak in East Sulawesi.

## Where Did the Rejangs Come From?

Shigeru Tsuchida 1996, 2000b wrote on Siraya grammar, and Tsuchida and Yamada 1991 pointed to the existence of Siraya dialect variation. It is also co-sponsoring with De la Salle University a lecture workshop on Building the Philippine Corpus. Descent of the Sadong Bidayuh, Sarawak Museum Journal, V: 1, pp.
