A new direction in historical writing has emerged, less concerned with major events and the acts of important, even heroic, people; the turn was to quotidian things that have persisted and that built an entire landscape of social, cultural, and artistic heritage.

### **Editions: Documentary Sources of Philippine History Vol. 1 by Gregorio F. Zaide**

The position of woman, while so unfortunate in Japan, as in China and nearly all eastern countries, in the Philippines is most fortunate, and is certain to tell effectually upon the advancement of the race in competition with other eastern civilizations. Common Narrative and Literary Dependence Chirino established a narrative line in the Relación, which subsequent writers would adapt. These beautiful central islands of the Philippines are inhabited by Bisaya.
