## partying

So after consulting my Lonely Planet book and studying a few maps, I set out to see some of the other more well known sights of Copenhagen.

## Retrospect of western travel (1838 edition)

There was no reasonable or logical public transport options that were going to take me to where I needed to go, so once again it was up to the Brazilians best friend — a taxi — to get me home.

However, it seemed that the scope of the countries I wanted to visit meant I was going to have to be a little more selective.

## Retrospect of Western travel : Martineau, Harriet, 1802

After stumbling home at 4 in the morning and passing out on my bed, I woke up just before noon to a message saying that the others had decided to skip Berghain because the weather outside was so nice. On the way back I tried to make mental notes in my mind, in the event that I was brave enough to take my bike out the following evening — I was still unsure, but I would cross that bridge when I got to it.
