Pharmaceutical industry trends

This laboratory is fully GMP-compliant and will be inspected by AIFA Italian Medicines Agency in early 2014. Both the survey and the second round of investor statements were sourced during March and April 2020, at the peak of the COVID-19 pandemic. Shi YZ, Hu H, Wang CM.

CBO Report on R&D and Tax Policy in the Pharmaceutical Industry

Overall, emerging economies and low-cost locations are a relatively small share of global activity, but this is changing rapidly.

6 Pharmaceuticals

Additionally, globally, social unrest around racism issues is increasingly calling on leaders to develop, implement, and sustain new initiatives.

Changing R&D models in research

The promise of cell and gene therapies is being delivered to patients; rare diseases, previously believed to be incurable, are on the precipice of real cures.
