## Publications

This eBook provides innovative insights into the role of bursts in decision-making and its function as a predictor of performance in business. Southern and Middle Atlantic States; Vol 4.

## BS 3700(1988) : 1988 RECOMMENDATIONS FOR PREPARING INDEXES TO BOOKS

Older publications may be available digitally through.

## MML Resources

Behn's Index Islamicus, 1665-1905 is especially useful for finding important 19th-century publications of primary sources and archaeological reports.

## Business Journals, Periodicals & Other Publications

It is here that the author's care in the preparation of the manuscript will contribute materially to speeding this work and keeping costs down.

## Periodical Source Index (PERSI) • FamilySearch

Handbooks provide facts, terms, concepts, movements, etc. The Ready Reference shelves are located adjacent to the Reference Desk.

## Bibliographies and Periodical Indexes

There are world, national, and thematic atlases and these may be current or historical. However, it is different from duplicate publication in the respect that there is no element of merely gaming the system of citation impact.

## **Publications**

The E-mail message field is required. Special tip for using print indexes: Most print indexes use many abbreviations, especially of periodical titles. Important review journal, with significant art-related content.

### **About the MHRA**

Special emphasis on the preparation of stable nanofluid and the impact of ultrasonication power on nanofluid preparation is also included, as are characterization and stability measurement techniques.
