Notes: Includes bibliographical references.  
This edition was published in 1971

Maybe this legend has an historical background; it's probably pointing at the rupture which was caused by new ideas which were brought in by the half-Javanese prince Adityavarman in the 14th century.

### Migration in Malaysia

The fast pace of population increase lead to a shortage in soil, and a growing market- and money- economy nowadays is very important in their daily life.
