Moscow 1812: Napoleon's Fatal March

The battle at Borodino was a pivotal point in the campaign, as it was the last offensive action fought by Napoleon in Russia. The sites had been selected by Napoleon in person.

1812: The March on Moscow on Apple Books

Several days after crossing the Nieman, a number of soldiers began to develop high fevers and a red rash on their bodies. I felt I was in step with the soldiers as they embarked on one of the greatest tragedies of human history. Likewise, because many of the officers who were also veterans who stayed loyal during the Decembrist uprising went on to become ministers in the tyrannical regime of Emperor Nicholas I, their reputations were blacked among the radical intelligentsia of 19th century Russia.

French invasion of Russia

The reputation of Napoleon suffered severely, and French in Europe weakened dramatically. The story begins in 1811, when Napoleon dominated nearly all of Europe, succeeding in his aim to reign over the civilized world like a modern-day Charlemagne.

1812: The March on Moscow by Paul Britten Austin

The key to presenting rather than printing the Minard document will be the skills of the presenter. Roads in this area of hardly qualified as such, actually being small dirt tracks through areas of dense forest. Hay has argued that the destruction of the Dutch contingent of the Grande Armée was not a result of the death of most of its members.

1812: Napoleon's Fatal March on Moscow

Napoleon and Prince before the burning city of Deserion was high among Spanish and Portuguese formations. In some sense, Napoleon's wasteful, hubristic march on Moscow was truly a harbinger of the greater devastation to come. Auxiliary supply convoys were formed on Napoleon's orders in early June 1812, using vehicles requisitioned in East Prussia.
