Nevertheless, it added, the Ministry of Health had requested international health authorities, among them WHO, to assess independently the causes of the phenomenon.

Yearbook of the United Nations 1983 (excerpts)

Stalin resolved to secure and stabilize the western reaches of the Soviet Union and disable the future military potential of Germany by constructing a compact and ethnically defined Poland along with the Soviet ethnic Ukraine, Belarus and Lithuania and by radically altering the region's system of national borders. Addressing in particular the Agency's financing problems and the cost effectiveness of the use of its scarce resources, JIU discovered that the financial constraints were the source of serious difficulties for the fulfilment of UNRWA's mandate. In administering this appropriation, the Committee added, the Secretary-General should have the usual flexibility to revise apportionments between objects of expenditure.
