Nesse período surgiram os árbitros privados, e apareceu, também, a figura do advogado, com a observância do princípio do livre convencimento do juiz e do devido processo legal, respeitado o contraditório e a ampla defesa. Interestingly enough, the games are very much like the games the children of North America play. On its straight conical flank is the date 1577, and in two places the symbol -- There is no indication of its place of casting, but if it were not in Japan perhaps made from metal of a destroyed bonsho , it was probably in Macao or Goa.
