### Energy UK

In Q3 2016, nuclear and renewables each supplied a quarter of British electricity, with coal supplying 3.

E

The energy industry invests £13bn annually, delivers £31bn in gross value added on top of the £95bn in economic activity through its supply chain and interaction with other sectors, and supports 738,000 jobs in every corner of the country.

### Compare Gas & Electricity

The landside parts of the link consist of 8 cables with lengths of 18.

### Energy Comparison: Gas & Electricity

UK, UK Department for Business, Energy and Industrial Strategy. But if you're after a fixed green deal, take a look at Outfox the Market instead.
