## A Description of Ancient and Modern Coins, in the Cabinet Collection at the Mint of the United States prepared under the direction of James Ross Snowden

The Act typically specifies the subject to be commemorated, the denomination of coins to be issued, and the maximum authorized mintage for each. Collectors of coins from empires have a wide time-span to choose from as there have been various forms of empire for thousands of years, with different regions changing hands between them. The eagle has endured longer than Liberty on our circulating coins, still appearing on the today.

### Ancient Coins

The first honorees enshrined in 1969 were: Edgar H. Sometimes stars and clouds appeared above the eagle to symbolize America as a new nation. To make change for a dollar, people sometimes cut the coin into halves, quarters, eighths, and sixteenths to match the fractional denominations that were in short supply.
