The cover of is slightly damaged for instance a torn or bent corner. Have you read all 15 books in the original Secret Seven series by Enid Blyton? I don't want to give away the ending to this story, but the title is appropriate to its contents. However, I think the book also has many good points. Dispatched, from the UK, within 48 hours of ordering. Who is living there, and why? Initially despite what is being said, Peter denounces it all as one collection of falsehoods and rumors.

### Three Cheers Secret Seven

In book eight, Peter and Jack go looking for their lost model aeroplane in an old abandoned house and find a lit fire in one of the rooms. The dude is dark and depraved but his ideas and stories are excellent. This fantastic bumper collection contains 3 Secret Seven books in 1 volume.
