The Rowrah and Kelton Fell (Mineral)

Railway

They were used in earlier times for the production of mortar for building purposes, and sometimes, as during the 18th and 19th centuries, for the production of lime for agricultural purposes.

Railways

The tall ruthlessly straight, well-built walls of this era, so different from the ancient, rambling, boulder-built walls near the villages, speak eloquently of the Georgian squirearchy who carried through these schemes, armoured and confident in their triple bronze of political influence, legalism and ruling ability.

Lost Pubs In Carlisle, Cumberland

The station was enlarged between 1888 and 1892 at a cost of over £4,000 equivalent to £440,000 in 2019. When men found silver armlets - Celtic? The contract to build the line was given to a local contractor, Messrs.

Camerton railway station (Cumberland)

In July 2009 the in Kendal, a scheduled ancient monument, was preserved to prevent dereliction, and to show visitors the link between the lime burning industry and the , by which the town prospered in the 9th century.
