Wright: , American Political Science Review 84 2 , 1990. Independent Foundations are usually a for-profit organization rather than a non-profit. For example, blue collar workers who smoke are more likely to quit and stay quit after a worksite tobacco cessation program if workplace dusts, fumes, and vapors are controlled and workplace smoking policies are in place.

### **Foundation Basics**

With these considerations in mind, in Section 1 of our report, drawing on previously published research along with interviews conducted with more than 30 news nonprofit journalists, experts, and philanthropists, we review the growth of the nonprofit news sector leading up to the 2016 election, highlighting major trends and challenges.
