## Publishers' Bindings Online: Louisa May Alcott

It is a collection of sweet, whimsical fairy tales. Although more than thirty volumes appeared during her lifetime, she was more prolific than most of her contemporaries ever knew. I think that would limit the age range of kids who would enjoy them to under ten years of The first few stories I liked very much and would have absolutely adored when I was a kid.

## Flower Fables by Louisa May Alcott

The proceeds from this book go toward the preservation of her childhood home. I think any tender-hearted or imaginative kid who loves fairies would enjoy these stories. Walls of ice, carved with strange figures, were around her; glittering icicles hung from the high roof, and soft, white snow covered the hard floors.
