**Exploring the Great Lakes States through Literature: Latrobe, Kathy Howard: 9780897747318: Books**

Each volume covers a different geographic area and presents selected materials that represent the uniquely rich and varied history, diversity, geography, industries, resources, famous people, and contemporary culture of each state in that region. By the time Hasegawa and Noguchi met, both had been thinking deeply about the balance between tradition and modernity, and indigenous and foreign influences, in the development of traditional cultures for some time.
