## Orthodox

Doctrine or practices not regarded as essential to faith, with which Christians can legitimately disagree, are known as. But Heretics is so short and such a page-turner it couldn't hurt to read it first and might probably be a more satisfying overall experience tha Nope.

## The Orthodox Faith

I also find him quite contemporary; what he says seems to apply somehow to every age.

## Eastern Orthodoxy Origins, Eastern Orthodoxy History, Eastern Orthodoxy Beliefs

But the book is so much bigger than that, just as it is so much more intimate than a mere treatise on orthodoxy.

## Introduction to Orthodox Christianity

The church understands marriage to be the union of one man and one woman, and certain Orthodox leaders have spoken out strongly in opposition to the civil institution of. It is applicable today as it was in the 1900s. The monastic communities on Mount Athos have provided the strongest opposition to the new calendar, and to in general, while still maintaining communion with their mother church.
