characterized this period would have contributed to a period of dormancy.

**"Rowan County: A Brief History" by James F. Brawley**

Rowan County was the result of the petition, and at the time of its incorporation, the county was named in honor of the governor of North Carolina, Matthew Rowan. Only North Main Street, however, retains much of its original appearance, providing an excellent picture of the process of residential development which altered the appearance of small towns and large cities across the state and nation during the first three decades of the twentieth century.
