For a decade, Johnson's constant work on the Dictionary disrupted his and Tetty's living conditions.

## The Choice of Life: Samuel Johnson and the World of Fiction, Modern Language Quarterly: A Journal of Literary History

The argument for speculative fiction as an ideologically different enterprise than science fiction has not been particularly convincing. Alan Bennett's affectionate comedy celebrates the pleasure of literary discovery, but is serious about reading's powers of personal and public transformation. Old English, the language of , is the source of modern English.

## Movie review: Gore Vidal: The United States of Amnesia (2013)

Samuel Taylor Coleridge: Opium 1700s As opium use became common in 18th century England, writers such as Coleridge found themselves turning to it when they should have been writing.

## Aspects of the Novel

The plays of read even better than they act. I never think I have hit hard unless it rebounds.

## **Speculative Fiction**

The atrocious crime of being a young man, which the honourable gentleman has with such spirit and decency charged upon me, I shall neither attempt to palliate nor deny; but content myself with wishing that I may be one of those whose follies may cease with their youth, and not of that number who are ignorant in spite of experience.

## **Women Writers**

The first-person narrative gives the book enormous zest, and it is impossible not to sympathise with Jimson. Her courtly ambition and outspokenness contributed to her illustrious public reputation. Her successful works influenced other women writers, including Jane Austen, whose name is among the list of subscribers to *Carmilla*.
