## Interpreting Peasantry of Early Medieval Northern India

This grand mausoleum to enshrine the mortal remains of his beloved consort Mumtaj Mahal took many years from 1631 to 1653 to complete and entailed an expenditure of four and half million pound sterlings and continued labour of twenty thousand men and artisans. Part-III Preface to the Second Edition The three-volumes publication entitled advanced Study in the History of Medieval India has caught the imagination of the readers. The author is beholden to them for their valued opinions about the academic merit of his books and owes a special debt of gratitude to them for enabling him to bring about improvements therein ion the light of the suggestions made by them

## Trade and Commerce in Early Medieval India: Part I

Achievements of Shah Jahan's Reign 458 4. Among the indoor games chess, cards, games of guites, satranj and among outdoor games hunting, polo Chaugan etc.

## Trade and Commerce in Early Medieval India: Part I

However, between 9th -13th century, greater production of both cereals and pulses as well as of commercial crops was seen. The English merchants were permitted to carry on export and import trade only but not to participate in the internal trade of the country. The invasion of the English into the private trade of the country, their abuse of Dustaks etc.

## Interpreting Peasantry of Early Medieval Northern India

The political disintegration of the Mughal Empire sapped the economic vitality of India. Although it suffers certain drawbacks like pollution, caused due to large scale industrialisation and means of transportation like buses, trains, cars and so on, leading to increasing in health problems in the people living in that area. By using the Indian artistic and architectural skill and indigenous materials he gave architecture during his period an Indian character.

## **Social, Economic and Cultural History of the Medieval Age**

There was much conservatism among the Hindus of upper classes. The hindu society, with its'glorious 'rajput culture, giving placeto the Indo-Muslim Society and Culture which was neither hindu nor muslim but Indo-Muslim, to be very precise. Satisfaction is guaranteed with every order.
