Corruption

In the Alatas earlier book about corruption, The Sociology of Corruption 1980: 13-14 , he summarized the corruptions as: a a betrayal of trust; b deception of a public body, private institution or society at large; c deliberate subordination of common interests to specific interests; d secrecy of execution except in dituations which allow powerful individuals or those under their protection ti dispense with it; e involvement of more than one person or party; f the presence of mutual obligations and benefits, in pecuniary or other forms; g the focusing of action on those who want definite decisions and those who can influence them; h the attempt to camouflage the corrupt act by some form of lawful justification; and i the expression of contradictory dual function by those comitting the act.

World without corruption

. However Alatas does not come at the problem waving the red flag of

WHAT ARE WE IN POWER FOR?: THE SOCIOLOGY OF GRAFT AND CORRUPTION on JSTOR

The chapter offers a brief socio-historical analysis of the causes and the individual characteristics of the corruption in this country. Than this is there no more powerful engine of injustice and cruelty, for bribery destroys both faith and state.

What is corruption?

The Gift: The Form and Reason for Exchange in Archaic Societies with a foreword by Mary Douglas.
