## Sexism, and Heterosexism

New York: McGraw-Hill, 2004: 164-182. Whether we are aware of it or not, we are all assigned multiple social identities.

## Oppression, privilege, and resistance : theoretical perspectives on racism, sexism, and heterosexism /

Do you silently enjoy your moments of comfort? Recently, there have been many reports of women and men being sexually assaulted by their fellow soldiers, even in combat zones.

## Oppression In Today's Society: 2008

New York: McGraw-Hill, 2004: 164- 182. This anthology is based on a distinct theoretical framework that provides coherence and cohesion to the readings included, presenting the phenomena of racism, sexism, heterosexism, and classism as interlocking systems of oppression. When a soldier enters into combat, they experience something civilians will never understand.

Often, many of these incidents go unreported due to fear of reprisal. These men and women are fighting for our freedoms, fighting for a government that they may no nothing about. Lots of wear to page corner tips.

## Oppression, Privilege, and Resistance: Theoretical Perspectives on Racism, Sexism, and Heterosexism by Lisa M. Heldke

Must these soldiers continue to be strong and tough, hiding their feelings? The book is broken down into different sections. There are threats

For most women, their career is extremely important to their livelihood, so if there is a chance that their career will be damaged because they reported sexual abuse, many will just allow it continue to ensure job security. If they are always tired they are more likely to be depressed, which then turns them to alcohol and drugs.

### **Oppression In Today's Society: 2008**

These men and women must remain strong and fearless while being deployed, but what happens when they come home, back to civilian life? Women and men deal with experiences in very different ways. I could go so far as to say that this book should be compulsory in High School or college. Allowing men and women to be sexually assaulted in the military is something that needs to be addressed by the government.

Heldke, Lisa, and Peg O'Connor. Are they to act the same as individuals who have never seen death or run from bombs? Society's institutions, such as government, education, and culture, all contribute or reinforce the oppression of marginalized social groups while elevating dominant social groups. These soldiers are not allowed to have emotions or show weakness because they are soldiers.
