Build a Literate Classroom by Donald H. Graves

When children start to take pride in their writing, they are willing to work on their errors. Teaching vocabulary during shared storybook readings: An examination of differential effects. They can also function as helpful reminders of the learning objectives of the classroom.

Building Language and Literacy Through Play

We secondary teachers need new approaches for promoting literacy in high school. Turn off the harsh overheads, if possible. Literacy instruction for English language learners Pre-K-2.

Gunning, Building Literacy in Secondary Content Area Classrooms

Without regularly incorporating new literacy skills into their daily instruction, we are failing our students. Public education is supposed to give all students an equal opportunity in life, however, by not preparing students for the demands they will face after high school, we are not giving them an equal playing field. Also, both techniques can be useful and fun ways of developing oral skills.

The Importance of New Literacy Skills in the 21st Century Classroom

Sonya and Alyssa are playing family.

Scholastic Literacy

Become involved before children go into the playhouse or start opening boxes in the block area. For example, in one half-term we focused on the use of apostrophes in students' writing. Watch these adorable performances on.
