The nine tailors: Changes rung on an old theme in two short touches and two...

The next third of the book centers on the theft of the emeralds, cast of characters and there are many , body in Lady Thorps grave and who knew what, who, and when? Cranton had been given the cipher and had helped Deacon return to England in disguise.

The nine tailors (1934 edition)

The Thoday family vanish and the police start hunting them, and they also find Cranton. Pass the forms out before you assign reading, so students will know what to expect. Who would have expected such a great book to come from campanology? This theft left Sir Henry in financial difficulties, as he insisted on paying her back for the stolen gems and, although his butler, Deacon, was arrested, along with another man, the necklace was never discovered.

The Nine Tailors: Changes Rung on an Old Theme in Two Short Touches and Two Full Peals

That fact drew me to the book and to the rest of Dorothy Sayers work.

The nine tailors; changes rung on an old theme in two short touches and two full peals : Sayers, Dorothy L. (Dorothy Leigh), 1893

I first read this story some 40 years ago and was astonished to discover how much of it I remembered when I came to reread it recently.

Nine Tailors: Changes Rung on an Old Theme in Two Short Touches and Two Full Peals (Paragon Softcover Large Print Books): Sayers, Dorothy L.: 9780745133522: me.stfw.info.cdn.cloudflare.net: Books

Much later, after a flood strikes the area, leading to the death of Will Thoday, Lord Peter realizes that Deacon had been tied in the bellchamber during the ringing of the nine-hour New Year peal and the vibrations of the bells and their high decibels had killed Deacon. Some of the tests are designed to be more difficult than others. Although, as with most of Sayers's work, there is an intriguing mystery to be solved and Lord Peter is, as always, an appealing no pun intended character, it also suffers from Sayers's compulsion to demonstrate how clever she is by including pages of meaningless detail about bell-ringing and equally meaningless epigrams at the start of most chapters.

The Nine Tailors: Changes Rung on an Old Theme in Two Short Touches and Two Full Peals Lesson Plans for Teachers

This is a book that I've already read several times, and which I'll enjoy as much the next time I turn to it.

The nine tailors; changes rung on an old theme in two short touches and two full peals : Sayers, Dorothy L. (Dorothy Leigh), 1893

I love it when that happens even if I do feel a bit chagrined. All things would have been familiar and contemporary and no explanation needed. In addition to the mystery and the intellectual pursuit of its solution, there is more than a glimpse of rural English life of a bygone age, the art of bell ringing probably too much of that for many , humor and extremely literate writing.
