## ME syntax

Research on Romano-British influence in English intensified in the 2000s decade , principally centring on The Celtic Englishes programmes in Germany and The Celtic Roots of English programme in Finland. Usually with leave, remain, stay, expressed or understood.

### A Middle English Syntax: Parts of speech

. All other continental languages have an external possessor option or conventional usage.

### The History of English

Sentences e and f are ungrammatical because the finite verb no longer appears in the second position. Under Norman influence, the continental replaced the that had been used for Old English .

### The History of English

The central field Mittelfeld contains most or all of a clause, and is bounded by left bracket Linke Satzklammer and right bracket Rechte Satzklammer positions.
