## Autonomous Architecture in Flanders

This presentation will discuss how we tackled these problems in Destiny 2. Presenter : Huw Bowles Studio Gobo Bios : Huw Bowles is a Lead Programmer at Studio Gobo which in recent years has shipped three Disney Infinity playsets.

## Overlooked; A Reflection on Progress and Equality of Women in Architecture

Mayfair and Belgravia in London, for instance, pair with Hyde Park, just as the Upper East and West Sides of Manhattan relate to Central Park, and the most desirable parts of Brooklyn are on the borders of Prospect Park. The general population—as well as from people such as developers who know the market well—is aware that opportunity exists here, and that these are the kinds of places we want to make.

## Architecture Exchange — Books

The potential of these materials can be amplified by new processes like computer simulation and machine learning.

## Reflection: Department of Urban and Regional Planning

While on the surface it appears there have been advances, there is still a long way to go in reality. Nevertheless, signs of change are gradually emerging, as demonstrated by the global call for change in the studio environment.

## Reflections on Zhu Pei and contemporary architecture in China

The integrated design paradigm as a system of inquiry within the spatial relationship strategy is framed. Previously, he worked as a Senior FX Technical Director at Blue Sky Studios, where he developed the volumetrics and clouds pipelines for the Rio and Ice Age animated movies.

## Leave a legacy

Also, they often lead to better work conditions, less pollution during their extraction and production, and quieter and safer construction sites.
