With simple explanations and numerous examples, this brief handbook compares English and Spanish grammar and points out the similarities and differences. This book supplies the background I am lacking in English. This is actually a tremendous web site.

English Grammar for Students of Spanish:... book by Emily Spinelli

Grammar teaching lapsed in English schools seen as elitist, I believe , so when we come to study a foreign language we are cluless about pronouns, proper nouns, prepositions etc. I absolutely love this book.

Spanish Study Guide: English Grammar for Students of Spanish

It lays out 6 examples of past tense in English.

English Grammar for Students of Spanish: The Study Guide for Those Learning Spanish, 7th edition â€“ Learn Spanish (O & H Study Guides): Emily Spinelli, Jacqueline Morton: 8601400063422: me.stfw.info.cdn.cloudflare.net: Books

Just my opinion, it would bring your blog a little livelier. The book utilizes the effective technique of using the familiar to explain the unfamiliar.

English grammar for students of Spanish : the study guide for those learning Spanish : Spinelli, Emily : Free Download, Borrow, and Streaming : Internet Archive

I am an intermediate level learner of Spanish and this is the best introduction to the Spanish grammar I have used. So, when I decided to learn Spanish, it became painfully obvious that I didn't remember enough English grammar to fully understand most explanations of Spanish grammar. Otherwise, I'd give it a hard pass.
