Thank you for your attention. Within the UN System, the UN Migration Network will ensure the follow-up and monitoring process , which is about sharing experience, helping Member States to overcome shortcomings, and searching for solutions to a global problem.

Article 21

Future growth depends on human capital being cultivated and expanded. But the social contract is not only about fiscal policy. To have avoided this scenario, the public balance would have had to be strongly in surplus — and no one at the time recommended this or thought that it was possible.

Publications Office

In the implementation of the Programme, regard should also be had to developments in Union law and in the case-law of the Court of Justice of the European Union with regard to further gender related aspects, including gender identity. In the view of the Four Presidents, a stable EMU needs to be built on four pillars: financial union, fiscal union, economic union and political union.

Research Papers

People in Europe generally feel disconnected from EU decision-making and question whether their voice is being heard. § 2 Basic provisions 1 Adherence to the principle of equal treatment shall lay in the prohibition of discrimination on grounds of sex, religion or belief, race, nationality or ethnic origin, disability, age, sexual orientation, marital or family status, colour, language, political affiliation or other conviction, national or social origin, property, lineage or any other status. As a result, the EU and the euro area have started evolving from a microeconomic and legal construct to a fully-fledged economic union.
