## Fritz and the Mess Fairy by Rosemary Wells

Fritz, a badger, stows the mess in his room under the bed and the food he doesn't like under his seat cushion; then he makes havoc of his family's belongings as he gathers supplies for his science project. Suddenly, his experiment invokes the Mess Fairy--a winged pig who emerges like a genie from his beaker and goes on to flights of messiness that appall even Fritz.

## Fritz and the Mess Fairy by Rosemary Wells

This story has a lot of new vocabulary for young readers, and is a little more advanced. But Fritz finds a way to get rid of the genie, and decides to clean up the house.

### Fritz and the Mess Fairy (1993 edition)

The Mess Fairy makes a mess bigger than anything Fritz ever could do. The boy's room is a terrible mess.

**Fritz and the Mess Fairy: Wells, Rosemary: 9780803709812: me.stfw.info.cdn.cloudflare.net: Books**

I hated the lack of parental feedback in the book. We love the way he stuffs his mess under the bed.

**Fritz and the Mess Fairy : Wells, Rosemary : Free Download, Borrow, and Streaming : Internet Archive**

This isn't Wells at her most imaginative, but she makes the most of a proven theme, capturing the subtleties of Fritz's reactions as well as the broader humor and offering a final comical turn that lightens its message. I especially liked how the author used a skunk as the main character, playing with the way skunks naturally smell. I liked the idea of a mess fairy coming and making even more mess for children who don't clear up.

**Fritz and the Mess Fairy: Wells, Rosemary: 9780803709812: me.stfw.info.cdn.cloudflare.net: Books**

Rosemary Wells spins a creative tale of a messy character named Fritz, and an unlikely fairy who does exactly what one would expect a fairy not to do, in Fritz and the Mess Fairy.

**Fritz and the Mess Fairy: Wells, Rosemary: 9780803709812: me.stfw.info.cdn.cloudflare.net: Books**

The strange bedfellows that occur in creative disorder are always good for a laugh; Wells makes the device even funnier here by compounding it. They both picked up on the stereotyping - boys are messy and girls diet.
