Each student is an individual and their experiences may or may not be similar to that of the group they represent.

**Hancock, Celebration of Literature and Response, A: Children, Books, and Teachers in K**

These more nuanced differences might include how we understand and define concepts like family, responsibility, education, and success. Less visible are the different ways in which our cultures influence our understanding of the world and how we interact with others. Book club plus: A conceptual framework to organize literacy instruction.

CU: Written in free-verse, reluctant readers will enjoy the quick read while more mature readers will appreciate the poetic structure and figurative language. We recognize the obvious cultural differences such as foods, heroes, holidays, arts, and clothing — differences that, much like the tip of the iceberg, are clearly visible above the water. This is an excellent read-aloud to grades K and up, especially during grandparents or Black History celebrations.
