**Bourgogne romane (Book, 2006) [me.stfw.info.cdn.cloudflare.net]**

In the second of the 1567—8 La Charité withstood eight months of siege by Catholic forces. These produce wines which balance depth and richness with elegance and breed; often described as silky, they are usually marked by finesse and perfume which, together with their natural power, age beautifully.

**Bourgogne Romane**
