Environmental Science Services Administration and similar government agencies

US Department of Commerce, National Oceanic and Atmospheric Administration. Environmental Science Services Administration: , also by United States. ESSA's successor, NOAA, continued and broadened the application of this organizational concept by adding marine to its portfolio of holistic study of the oceans and atmosphere alongside the subordinated to ESSA.

Environmental Science Services Administration (U.S.)

He served as the first Deputy Administrator of ESSA and was the first vice admiral, and at the time the highest-ranking officer, in the combined history of the Coast and Geodetic Survey Corps and ESSA Corps. Congress passed the Marine Resources and Engineering Development Act, which declared that it was U.

Environmental Science Services Administration

Because the Coast and Geodetic Survey retained its identity after it was placed under ESSA in 1965, ships of the Survey's fleet continued to fly the Coast and Geodetic Survey flag as a while the Survey was subordinate to ESSA.
