### The Powerful Role of Music in Society

Mothers play music for and sing to their children in the womb.

### Project MUSE

In the later, post-war revival, folk music found a new audience with college students, partly since universities provided the organisation necessary for sustaining music trends and an expanded, impressionable audience looking to rebel against the older generation. ### Power Of Music Quotes (74 quotes)

These procedures require social distancing including room and facility occupation quotas, the wearing of gloves and masks at all times, attestations of personal health and procedural awareness immediately prior to each instance of studio use, and other practices designed to insure the health and safety of students, faculty, and anyone utilizing the recording studios.

### Power Of Music Quotes (74 quotes)

Since music education stimulates your emotional and cognitive abilities, it can allow our brain to think in new and different ways. Anyone who is educated in music learns these skills whether they know it or not.
