Historical Researches Into the Politics, Intercourse, and Trade of the Carthaginians, Ethiopians, and Egyptians, Tr. [By D.a. Talboys From Vol.2 of ... Handel Der Vornehmsten Völker Der Alten Welt] by

I appeal as well to the other reliefs upon all the temples above Thebes, so far as they are made known to us in the great work upon Egypt.

Historical researches into the politics, intercourse, and trade of the Carthaginians, Ethiopians, and Egyptians Volume 2 by Arnold Hermann Ludwig Heeren

In the year 1821, after the discovery of Dr. The way in which this was attained, is a problem which can only be solved by conjectures.

Historical researches into the politics, intercourse, and trade of the Carthaginians, Ethiopians, and Egyptians Volume 2 by Arnold Hermann Ludwig Heeren

A second source open to him was the accounts possessed by the priests of Thebes ; and these were certainly written as well as oral. This is also a history resting upon monuments ; and although certain writers PREFACE.

We shall perhaps find by and by that many signs, which M. I shall only premise, that what this Father says, carries with it an additional authority from his having himself lived in Egypt, where it would be easy for him to obtain a clear knowledge of that which, to those at a distance, would still seem very obscure.
