## The Spider's Thread

Humans naturally should try and help each other, empathy is part of our nature. To mausi-màsu no fa, àru tòki kono votokò ga xukài xajasi no nàka vo tofori-màsuto, tifisana kùmô ga itpiki, Mitibata vo xàttele ikù no ga mije-màsita.

I read this book in Japanese and I love this so much! In the Buddha-land of Purity, there was a pond with a lot of lotus flowers. Realizing that he may actually escape from Hell, he is overcome by joy and laughs giddily. Nanigenàku Kandata ga Atamà vo agete, ti no ike-no sòra vo nagame-màsuto, sono xiissòri to sita jami-no nàka vo, tofoi tofoi Tenzyag kara, ginhiro no kùmô no ito ga, marude xitome ni kakàru no vo osorèru jàg ni, xitòsudi xòsoku xikarinàgara, sùrusuru to zibun no ufê fe tarête màviru no de fa gozaimasèn ka.

## The Spider's Thread by Ryūnosuke Akutagawa

Nakashima will play the role of his sister, Marie Joseph. Kandata, looking up by chance at the sky above the pool, sees the spider's thread descending towards him and grabs hold with all the might of a seasoned criminal. Even though I am an atheist, I can still appreciate that there is an element of moral judgement differing good things from bad things.

## Kumo no ito\_TV36

The main character was never even told by the Buddha what he expected or wanted from him.
