## Mbuti Culture

For the Mbuti, it will be many years after the ceremony before the circumcised boys will be considered as adults.

## Pigmeji — Vikipedija, slobodna enciklopedija

None of these remains can be clearly attributed to some morphotype, either Pygmy or not. Despite the fact the majority of materials document the life and achievements of Colin Turnbull, this collection, holding both Turnbull's and Joseph Towles' papers, is named for Joseph Towles at Turnbull's request.

## Pygmy Religions

This work was published in 1965 with a limited number of revisions. A culture normally describes a method of concepts, outlook, beliefs and language, which examines the way of life of a specific group of people with similar interests. With publications that document Towles' life such as yearbooks and school textbooks; and scrapbooks with published reviews of Turnbull's works.
