## the Statesman: the Unity of Plato's by Ryan Middleton

And yet surely all these arts will maintain that they are concerned with the treatment and production of clothes; they will dispute the exclusive prerogative of weaving, and though assigning a larger sphere to that, will still reserve a considerable field for themselves. In modern politics so many interests have to be consulted that we are compelled to do, not what is best, but what is possible. There is another excellent jest which I spy in the two remaining species.

[me.stfw.info.cdn.cloudflare.net](http://me.stfw.info.cdn.cloudflare.net): Statesman (9780872201385): Plato, Ostwald, Martin, Skemp, J. B.: Books

As in the Cratylus, the legislator has 'the dialectician standing on his right hand;' so in the Statesman, the king or statesman is the dialectician, who, although he may be in a private station, is still a king. Whether the best form of the ideal is a person or a law may fairly be doubted.

## II—Plato on the Value of Knowledge in Ruling

We have already digressed further from our original intention than we ought, and you would have us wander still further away. As in the Republic, Plato has observed that there are opposite natures in the world, the strong and the gentle, the courageous and the temperate, which, borrowing an expression derived from the image of weaving, he calls the warp and the woof of human society.

## Statesman by Plato Unabridged Original... book by Plato

You know what I mean. STRANGER: Again, we have been often told of the reign of Cronos. Out of these human life was framed; for mankind were left to themselves, and ordered their own ways, living like the universe, in one cycle after one manner, and in another cycle after another manner.

## Method and Metaphysics in Plato's Sophist and Statesman (Stanford Encyclopedia of Philosophy)

Again, if a person were to say that the art of making the warp and the woof was the art of weaving, he would say what was paradoxical and false. The visitor tells us that the statesman cares for every aspect of things in the city, weaving them together in the most correct way Statesman 305e.
