I'd love to see him update this book, add pictures, and use better quality paper. In this reviewer's opinion, this book is a valuable tool to understanding a better and cutting edge means to achieve better health and wellness! Vibrational Medicine for the 21st Century is a bright light that illuminates the path to a new though sometimes ancient frontier of medicine. After giving away my copy of Vibrational Medicine, I replaced it with this book by the same author.
