The River

LITERARY QUALITIES The Black Pearl, like many of O'Dell's works, incorporates elements of legend, myth, and history. Eventually resentment caused the formation of secret societies who, in 1899, launched several attacks against westerners in China.

ABC BookWorld

The answer is simple: by describing things in exact detail and by focusing on culturally specific images and things in his poem that can only make sense if they are understood in the terms provided by eighth-century China.

ABC BookWorld

After Island of the Blue Dolphins, O'Dell would discover that his passion for history and his desire to reach young people with his messages of determination, self-reliance, and humanitarianism provided him with a well-spring of ideas that kept him occupied right up to his death. Our intention is bringing authors and readers together. At the same moment I heard a whisper, as if a breeze had sprung up, and a flight of arrows passed over my head.

Browse subject: Short stories

Her developing respect for animals is the logical evolution of the sensitivity she displayed earlier, in the third chapter of the book, when she expressed revulsion at the Aleuts' killing of an otter.

The 100 best nonfiction books of all time: the full list

The noble animal's quiet death of old age is movingly described in the simple, direct language that characterizes Karana so well: Slowly he walked to where I was standing and fell at my feet. Works on the short story as a literary form and on the art of short story writing are entered under See also what's at , , or .

ABC BookWorld

Her love of the animal world is now extending to even those animals who could pose threats to her. In *The King's Fifth* O'Dell uses a different approach to historical material. Russell, however, does not delve below the surface in his analysis of this novel.
