Rider Haggard: His Extraordinary Life

Taken together with a great rise in the technology of the times when improvements were being made in all sorts of areas, such as type setting, steam presses, motorised vehicles and tram cars, electric railways, street and house lighting, public libraries, larger schools, colleges and institutions of adult education, the production, distribution and consumption of these novels was assured.

Bott, Alan John

Letter dated 30 April, 1920. Haggard's anthropological studies had led him to conclusions about the nature of the African people and society. A previous owner has pasted the obituary of the author onto the ffep, it's reverse and to the half title page.

Our fathers (1870)

Johnson, Selected from the 'Life' by James Boswell; Edited by R. Diktature se nisu obrušile na ovo društvo odnekud spolja, kao što je Kortez upao u Meksiko; donela ih je društvena dinamika koja se razvila posle Prvog svetskog rata, a one su svoje senke bacale ispred sebe.

Our fathers (1870)

The sonnet, scanned in Shakespearean form, declares: Not in the waste beyond the swamps and sand The fever-haunted forest and lagoon, Mysterious Kor thy walls forsaken stand, Thy lonely towers beneath the lonely moon, Nor there doth Ayesha linger, rune by rune Spelling strange scriptures of a people banned. Svaki protest protiv toga, izražen u okvirima umetničke forme — a više je nemoguće zamisliti neku umetničku formu koja ne bi bila protest — baca se u ono planirano, čemu se opire, i nosi na sebi ožiljke te kontradikcije. .

OUR FATHERS; MANNERS & CUSTOMS OF THE VICTORIANS (1870

Da ne bi postala samo prežvakavanje dvadesetih, da se ne bi srozala upravo na ono što je odbijala da bude, kulturna svojina, savremena umetnost mora postati svesna ne samo svojih tehničkih uslova već i uslova vlastitog postojanja. The fact that there is more input in Kipling's hand than in Haggard's points to his Kipling's detailed involvement in the saga. They passed through territory, traveling eastward, that was reputed to be disease ridden, and a gloss can be put on his remarks that the experience was not a pleasant one.
