Mark 13 NIV

The reader's interest can begin with either. Though it is so short, 11 syllables instead of 17, its onomatopoeia is good, k r k t k w w w t r, the k and t sounds expressing the dryness, the w and r sounds the water that is not there. De este modo el haiku, proponiendo que únicamente la desnudez accede a lo evidente, se ofrece como una poesía donde lo táctil y los sentidos todos tienen más trascendencia que los revoloteos metafísicos.

There's also speculation that may be non-canonical, but nothing is confirmed so far. Only on the road could he write. What the encyclopedia avoids saying is that Santoka was an alcoholic who then drifted from job down to lower job, was divorced, and ended up traveling around as a mendicant Zen priest, begging from friends and writing travel diaries.
