## HOME Investment Partnerships Program

These numbers are based on information provided by , after collecting data across more than 3,000 markets to create their most recent survey.

## Florida study: \$5 billion return on \$423 million affordable housing investment

Seventy-three percent of homes sold in November 2020 were on the market for less than a month. Buyer demand remains far more recovered than supply and continues to grow.

## Michigan Housing & Investment, LLC.

According to the , the homeowner vacancy rate in 2019 was 1. We can expect a wave of mortgage refinances to save money. So after May 1st, that index started to go up, it passed 85 in mid-May and then continue to work its way up rather quickly.

## Housing Group Investments

FHFA will continue to monitor the effect of coronavirus on the mortgage industry and update its policies as needed.
