5 Strategies for Promoting Diversity in the Workplace

The same report pointed out that, among the 500 CEOs, only three are black, another three are openly gay, and one identifies as a lesbian. I ended our relationship with Lance because there was too much smoke at the time about what Lance may have done in terms of performance enhancing drugs. How, then, could there still be any possibility of debate in the 21st century over whether we should discriminate against our clients? Yet taking a stand is not enough.

5 Best Practices for Serving Diverse Customers

My preferences are irrelevant when working in another country.

Why Diversity, Equity, and Inclusion Matter for Nonprofits

They believed that leadership commitment and strengthening anti-discriminatory policies were critical. But for diverse viewpoints to really stick, you must account for inclusivity.

Why Diversity Hires Mean Growth for Advisors: Study

We really look at anyone we work with as part of our family.

How To Be Culturally Sensitive Working with Clients with a Range of Identities

Journal of Employment Counseling, 28, 130-141. Do these influence your professional life today? One of the things that I have been reading about is ethics regarding religion.

Customer Diversity: Providing Great Customer Experience Across Cultures

Having worked with people that come from other parts of the world is like having a free lesson on diversity and cultural differences. This can be tricky at times as each organization has their own rules and protocols, apart from the influence of the local culture, but keeping in mind all the things

we can learn from this experience, will motivate us to make our best effort to fit in.

5 Best Practices for Serving Diverse Customers

Mastering a few key phrases in their language is always a warm way to build relations. At Provide Support, we brainstorm and share our experiences and knowledge with each other to better understand people from different cultures, come up with creative ideas and new approaches — and better serve our customers.
