Track 4 — Private Citizen, or Peacemaking through Personal Involvement.

**PACE Subcommittee on Nagorno**

The individual self includes the unity of all external and internal aspects of an individual, and the fifth stage includes unity of the individual self with cosmic, or divine, consciousness. While pursuing middle power diplomacy, middle powers can and should have great ambitions, and for this we need great power campaigns! Sometimes religion matches up with a national self-interest, peace through force approach. But they still are no leaders of the global revolution.

**What Is Multi**

All the approaches have separate values and resources, but when coordinated they can work more powerfully. But they all interact and influence each other.

**Religion, Consciousness, and Peace Research**

Knowledge, best practices and ideas can prove to be even more necessary. But if the assumption about the probable timing of the next change in

the vector of world development is in principle correct, and if globalisation in its new embodiment returns to the world on the horizon of five to eight years, then even today Russia needs to actively prepare for this change. Track One Diplomacy is official government diplomacy whereby communication and interaction is between governments.
