## Perennials I

I think the Duke of Burgundy will fast, Before he'll buy again at such a rate ; 'Twas full of Darnel ; do you like the taste? They say, that they have measured many miles To tread a measure with her on the Grass. The middle and upper leaves are linear-lanceolate with pointed apexes.

## rebound: 'The Plant

In 1876 I counted on a tree in Bath more than sixty fruit ; the fruits will perhaps seldom be worth eating, but they are curious and handsome.

## The Plant

It is especially a British plant, for though it is found in other parts of Europe, and even in the Azores and Canaries, yet I believe it is nowhere found in such abundance or in such beauty as in England.

## Shakespeare's Plants

CONTENTS PAGE Xi INTRODUCTION PLANT-LORE OF SHAKESPEARE. In heathen times the Myrtle was dedicated to Venus, and from this arose the custom in mediaeval times of using the flowers for bridal garlands, which thus took the place of Orange blossoms in our time.
