## How to Deal with Peer Pressure

I've really been wanting to see it, but it's no fun watching it alone. Peer pressure is akin to the idea of conformity.

## Peer Pressure

Jill Whitney Negative Peer Pressure Doing the same things their friends do is one way young people try to fit in. Parents must teach this to children. I think peer pressure is a really big deal if you only have one friend group, because the stakes are higher if they pressure you into something and you have to leave them.

## Peer pressure and how to deal with it

Common Characteristics of Peer Pressure Unfortunately, not all teens are that self-actualized. Avoiding situations that might tempt you can help you avoid peer pressure altogether.

## Dealing with Peer Pressure in School

Value common interests Hanging out with people who like doing similar stuff may help you avoid a situation where you feel pressured into things you do not want to do.

## Peer Pressure

Alternatively, in a positive light, peer pressure can help drive individuals to make choices that are beneficial in team settings or simply fulfilling good acts like volunteering or helping a friend. Avoid places where people do illegal activities or other things you feel uncomfortable around. Knowing how to deal with peer pressure, experts say, comes with time and development.
