× Close Overlay A title history is the publication history of a journal and includes a listing of the family of related journals.

Annual Meeting Proceedings and Presentations

For each of these related journals, the title history lists the dates published. On July 30, 2020, AERA announced it is shifting from holding a place-based 2021 Annual Meeting to delivering the meeting completely virtually. Other common relationships include a journal that is a supplement to

another journal, a journal that is absorbed into another journal, a journal that splits into two or more new journals, or two or more journals that merge to form a new journal.
